Aimee Forbush

SKILLS

Known as thoughtful and detail-oriented, I have been commended for my ability to adapt quickly to new situations. Proficient skills include; goal setting, strategic planning, assessing and critical thinking. Recognized as a strong communicator in collaborative settings, I enjoy the rigors of teamwork. Full-Stack Web Development skills include: HTML, CSS, JavaScript, APIs, NodeJS, ExpressJS, SQL and NoSQL. Applied broader concepts in web development include: OOP, ORM, MVC and MERN.
